Instruction by Nancy Evans RN,BSN,CH

**Reiki (pronounced Ray-Key) is a highly effective, hands-on healing therapy that promotes a balancing of mind, body and spirit.**

A simple technique that's easy to learn, research studies have shown Reiki is effective for pain, stress, and many other conditions. Reiki stimulates the body's own innate wisdom to heal at the source of the problem.

Nancy Evans, a nurse, Reiki Master, and Co-Founder of Fort Collins CommUnity Acupuncture, is a gifted Energy Work healer who also certifies students in Reiki and several other energy-based therapy systems.

Nancy's classes are known for being fun, well organized, inspirational, empowering, and personally transformational.
